Non-IFRS Financial Measures

The non-IFRS financial measures used by the Corporation to assess its financial performance, such as adjusted income from continuing operations, cash flows from segment operations, free cash flows from continuing operating activities of the Quebecor Media subsidiary, and average monthly revenue per user ("ARPU"), are not calculated in accordance with or recognized by IFRS. The Corporation's method of calculating these non-IFRS financial measures may differ from the methods used by other companies and, as a result, the non-IFRS financial measures presented in this document may not be comparable to other similarly titled measures disclosed by other companies. We refer investors to our Management Discussion and Analysis for the third quarter of 2015 under "Non-IFRS Financial Measures" for a complete description of these measures as well as a reconciliation to the most directly comparable measure calculated in accordance with IFRS.
